We Make Meal Prep a Breeze!

Your food is prepared fresh – you just take it home & heat

Order for any crowd size – from 1 to 100+; with over 2 lb of food figured per serving, we scale each order to the quantity needed. Each menu item is panned by it's entire weight needed for your crowd size, making heating & serving as easy as 1 - 2 - 3. That's Pickup! Heat! Enjoy!!

This Year's FRESH EASTER MEAL Proceeds...

... will be going directly to support one of our own! If you have enjoyed dining on selections from our homemade freezer meals, then you've already 'met' our cook! She, along with her husband and family, will be joining a ministry team from Mifflin County Community Church [mc3] in collaboration with Forward Edge International, by serving in Oaxaca, Mexico in May 2025.

Ministry & Giving is a core part of who we are here at Kickin' Kater – and we are delighted to stand with our friends as they raise the necessary funding to go out and be the hands and feet of Jesus! When you enjoy your Fresh Easter Meal from Kickin' Kater this year – know that you are blessing someone in Mexico with your gift of love!
